INT. KALI'S ROOM - NIGHT

Kali sits on her bed shaking her leg and looking at her phone. Putting her phone on the bed she instantly picks it up again.

She scrolls through her phone and then puts it to her ear.

NINA

Hello?

KALI

We need to meet.

NINA

It can't wait?

KALI

No it can't, meet me at our regular spot in 30 minutes.

NINA

But I'm not even dressed.

KALI

Then get dressed.

Kali hangs up the phone and reaches to the other side of the bed for her black sweatpants. She puts them on and walks to her closet for a sweater.

Kali goes downstairs, grabs her car keys from the chest by the door, and heads out.

EXT. THE MEETING SPOT - NIGHT

Kali pulls up to a parking space near a black GMC Terrain. She climbs out of her car and closes the door.

She walks over to the black GMC and climbs in.

INT. NINA'S CAR - NIGHT

NINA

What's so important that it...

Kali reaches over and smacks Nina. Nina looks shocked and holds her face with one hand. She says nothing as she stares at Kali.

KALI

That is for lying to me.

NINA

What the hell? Lying to you about what?

KALI

Nina what have you been doing with the money I gave you?

NINA

What do you mean?

KALI

What...have...you...been...doing...with...the...money...I...gave...you? It's a simple question.

NINA

I been putting it towards Mom's hospital bills.

KALI

Not all of it. You have been taking off the top. Why do we owe anything when I give you the exact amount?

NINA

It must be a mistake, I've been paying it.

KALI

I give you one job. I don't ask you to put anything in towards Mom, I do that. I work my ass off with two jobs while you go to college and have fun. Your tuition is already paid for so it can't be that.

Kali takes a deep breath and then steps out the car. Nina slowly opens her door and steps out too. She hesitates to put one foot in front of the other. Slowly she walks to the passenger side.

KALI (CONT'D)

Do you not care if our mother dies?

NINA

Why would you say that? Of course I care.

KALI

Then tell me what you did with the money and you better not lie.

Kali rolls her sleeve up and Nina immediately looks to the ground.

NINA

(speaks low)

I gave it to Drew.

KALI

What? Speak up!

NINA

I gave it to Drew.

Kali balls her hands in a fist and takes a deep breath. She walks in a circle over and over again.

She takes another deep breath and walks over to sit on the closest bench. Nina puts her head up and looks at Kali. Kali looks at her with rage in her eyes.

Nina walks close to Kali but not too close.

KALI

Let me get this straight...you gave my hard-earned money and Mom's hospital bill to your drug dealing ex-boyfriend?

NINA

Ummmm...

KALI

Isn't that why he sells drugs, to have fast money since his lazy ass doesn't want to make it the right way? Where is he?

NINA

Huh?

KALI

Where is he? I want every cent back plus interest. You think I can pull \$5,000 out of my ass? I pay for you to go to school, mom's hospital bills, a roof over my head, my car, and your car.

NINA

I'll find a way to get you the money back, we don't need to go find him.

KALI

Nina, you think this is a game? You care more about him then your family?

NINA

No, but I don't want you to get hurt.

KALI

(laughs)

Me? Hurt? Nina I handle myself perfectly fine.

NINA

Being a detective doesn't make you untouchable.

KALI

Let's see who gets hurt. Call him and find out where he's at. I'm giving you 5 minutes. I'll be in my car.

Kali gets up from the bench and walks to her car. She opens the door and climbs in closing the door behind her, and reclines her chair back.

Nina hangs up her phone and walks over to Kali's car and knocks on the window.

NINA

He said he's at home and he has company.

KALI

Is he expecting us?

NINA

He might be. He found it odd that I was asking where he was.

KALI

Let's pay him a visit.

Kali gets out of her car and walks to the trunk. She opens the truck and reaches in it, pulling out her gun and her holster.

NINA

Wait what is that for?

KALI

If he's expecting us he's going to cause a scene.

NINA

How do you know that? I don't think we need that.

She puts the holster on her hip and pulls her sweater over it. Closing the trunk, she walks to the driver's seat and climbs in.

KALI

Get in, let's go.

NINA

Please Kali, can we try this my way?

KALI

We could have if you came to me and told me 6 months ago, instead of me finding out. The one time I give you the benefit...

Kali stops and looks forward. She looks back at Nina calmly.

KALI (CONT'D)

Get in now!

NINA

What about my car?

KALI

Lock it up, I'll bring you back for it.

Nina runs to the passenger side of the car and climbs in.

INT. KALI'S CAR - NIGHT

Kali takes off and they drive in silence.

Kali pulls up a houses down from Drew's house. He is standing outside with two men.

She turns her headlights off.

KALI
I'm just going to go over and talk
to him.

Kali takes her gun out of her holster and checks the bullets.
She puts it back in and pulls her sweater down.

NINA
Just let me do it.

KALI
So he can shoot you? No, stay here.

NINA
I'm not a baby.

KALI
Stay here and don't do anything
stupid.

Kali gets out the car and slowly walks towards Drew's house.
Drew looks at his phone and hesitantly looks around. He turns
towards Kali and the moment he sees her he takes out a gun
and shoots at her.

Kali ducks behind a car.

KALI (CONT'D)
FUCK!

Drew ducks behind a wall near his house, while the other two
men run off.

DREW
What do you want?

KALI
I just want to talk.

DREW
That's what all pigs say before
they put a bullet in you.

KALI
I really came to talk. I need the
money Nina gave you back.

DREW
She didn't give me shit.

KALI
Don't lie, I can find out if you're
lying.

DREW
Go ahead and try. If it was that
easy you wouldn't have came here.

Drew shoots towards Kali.

KALI
Put down your gun, I'm only going
to give you to the count of 3.

DREW
Or what?

KALI
1...2...

DREW
3

Drew shoots multiple times towards Kali. Kali goes around the
other side of the car and shoots Drew twice.

He goes down.

Kali walks over to him and kicks the gun out of his hand. He
isn't moving. She checks his pulse and hangs her head. Police
sirens are heard getting closer.

Kali runs back to the car and her passenger side door is
open. Nina is gone.
